

Parent Teacher Association Membership Form

What does the PTA do?

We co-ordinate, staff and fund to benefit our school, community and students:

- **Clubs:** Chess, GEMS, Girls on the Run, Odyssey of the Mind, Lego League, Robotics with new ones being added this year such as Scrabble, Think Fun, Art, Building, Drama, and Green Team.
- **Programs:** Spelling Bee, Overtime Athletics, Mad Science, FLEX, Peanut Butter Program, PBS and School Spirit, Safety Patrol and Red Ribbon Week
- **Events:** Movie Nights, Ice Cream Socials, International Festival, Family Night at Book Fair, Chuck E. Cheese Nights, Bingo Night, and Skate Night.

How you can help:

Each membership is \$10 and those dues ensure the clubs, programs and events continue as does your participation in them. Every member of your family is welcome to join as well as your friends and family who wish to support your child and our school.

What you receive:

Each member will receive a **membership card which entitles you to discounts** at the major stores and businesses that have partnered with the National PTA. You also have a vote in the decisions we make at our monthly meetings. But most importantly, you get the satisfaction of knowing you are supporting your child and our school.

Anyone can join the McNair PTA and support our children. This includes your child's **parents, grandparents, childcare providers, guardians, or any other adult** of choice who wishes to support your child and our school!
